

CYPRESS RIDGE WOMEN'S GOLF CLUB

Who we are: The CRWGC is a women's golf group open to all women over 18; it is a member of the Women's Public Links Golf Association (WPLGA).

Why we play: Our goal is to ensure that women golfers enjoy the opportunity to improve their game, compete at all levels, display good sportsmanship and make new friends.

When we play: Play is every Thursday morning; once a month there is a shotgun start. The last tee time each Thursday is available for nine hole play at the regular women's club rate.

Where we play: 780 Cypress Ridge Parkway, Arroyo Grande, CA 93420.

What we play: Each week there are different and fun golf formats. Weekly sweeps are collected and an annual birdie/chip-in pool is available for members. Several tournaments are held each year.

Signature event: Each year the club hosts a Rally for the Cure®. Proceeds benefit Susan G. Koman for the Cure®. This signature event is usually held the first Thursday in October.

How to become a member: Follow the directions on the application found at the club house and at CypressRidge.com. If you do not have an established handicap start saving your score cards.
