

2009 Cypress Ridge Summer Couples Golf & Dinner

Sunday June 7th thru Sunday August 30th

If your wife, husband or significant other doesn't play golf, you can join in on the fun and invite them to meet you for the dinner.

(We will pair you up with another golfer)

Our Couples Golf is a fun **9-hole** format that is designed for players of all levels, which allows beginners and novices to tee off from the 150-yard markers as needed, so they can work on their game and still have a good time. Each Sunday there is a different fun game, like **“Throw the Damm Ball”**, and there is no money involved, as winning is just for bragging rights.

Due to the varied travel plans of our residents, this group is very informal allowing you to play on the Sundays that fit your schedules. You will be notified each week by email for the following Sundays game, so you will only need to plan several days ahead of time to be able to join in on the fun.

- **Our first outing will be on Sunday June 7th and we will finish up on Sunday August 30th.**
- They will all be a 3:00 pm Shotgun start.
- The Golf Course management has held the 9 hole prices for us again this year, to \$18/person for walkers and \$25 for riders. This is a shotgun start so we all finish about the same time for dinner.
- Annual members and those that have paid Golf Cart Trail fees will be able to utilize their memberships.
- The Grill at Cypress Ridge will provide dinner for both Golfers and Non-golfers at \$13 per person including a soft drink and the tip.

If you would like to join in on the fun, contact one of the following to get on the email list that is used for the weekly game sign ups.
