

If you used the old website, your old user name and password should still work. If you have never logged in, use the first letter of your first name and complete last name for user name and your last name for your password. For example, if your name is Joe Smith, use "jsmith" for user name and "smith" for your password. Once you have logged in, go to My Profile and update your information. Be sure and check the box that says "Receive Newsletter Emails" to receive important email announcements. If you have forgotten your user name or password, contact Devin Langley dlangley@goetzmanderley.com or Warren White warren-ap@charter.net. They will be happy to help you.
